

ACTIVATE SERIES

LIFECYCLE RECUMBENT
EXERCISE BIKE

Activate™ Series cardio equipment is for facilities looking for intuitive functionality and extremely reliable performance. It is ideal for small health clubs, residential facilities and hotels.

A COMFORTABLE RIDE

A relaxed body position and step-through design combine to create an inviting cardio workout.

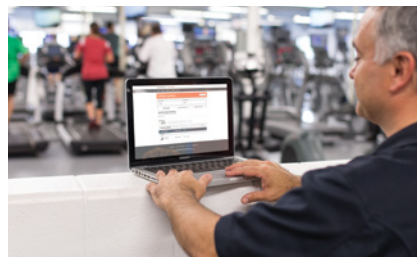

EASY TO USE

The Activate Series console provides clear and simple instruction for any exerciser to get on and go.

OPTIONAL ATTACHABLE TV

Keep exercisers entertained by upgrading to a 15" attachable TV.

CONNECTION TO CARDIO

LFconnect.com and the optional Connect Module provide valuable usage data to determine new equipment needs, preventive maintenance schedules and more.
